Itinerary

En Route

You're off over the iconic Sydney Harbour Bridge, the world's largest steel arch bridge in the world, nicknamed 'the Coathanger' because of its arch-based design. Head along the Bradfield Highway towards the Blue Mountains.

Echo Point

Entering the National Park and winding your way along Cliff Drive, you'll take in spectacular views of Megalong Valley before arriving at Echo Point. Echo Point has views stretching across to the Three Sisters - a trio of rocky pinnacles. Learn about the Aboriginal dreamtime legend of the Three Sisters.

Waradah Aboriginal Centre

Imagine witnessing Australian Aboriginal culture in a contemporary gallery. Experience traditional dance, take part in an interactive didgeridoo performance, examine authentic artworks and take home genuine Aboriginal souvenirs. Learn about Australia's living Aboriginal culture from the local Darug and Gundungurra tribes through informal cultural discussions and lectures. Waradah Aboriginal Centre offers a once-in-a lifetime Aboriginal experience in one location.

Scenic World

At Scenic World enjoy 360° views of the Jamison Valley. To ride on the famous Scenic Railway, Cableway and Skyway, why not purchase the Unlimited Discovery Pass.

Leura

Next is a stop at the picturesque and quaint town of Leura. Here you can grab a bite to eat at one of the many restaurants and cafés or why not choose our optional lunch (see right). This beautiful town will take you back in time and is famous for its antique stores and of course its Candy Store which is stocked floor to ceiling with more than 1,000 unusual sweets gathered from all over the world.

Featherdale Wildlife Park

Stop at Featherdale Wildlife Park. Situated on seven acres of natural bush setting, you'll be able to hand-feed kangaroos, wallabies and emus or enjoy a face-to-face encounter with one of the friendly koalas.
